# President's Report

It is with pleasure that I present the 2024 President's Report. Our Club has had a very successful financial year under the guidance of CEO, Ash and our dedicated staff. I would like to thank Ash and all staff for their commitment and support during such a busy year.

Moama RSL Board members attended the Riverina South West Region of ClubsNSW Regional Conference in Broken Hill and also the ClubsNSW Annual Conference. As I have previously mentioned, our Board has visited a number of other clubs to look at what they are doing with the future of solar/energy. I can now advise that our Board has appointed Acacia Energy to supply and install a 400 kWp solar panel system with battery storage and a backup diesel generator. I would like to take this opportunity to thank all Board members for their support and assistance during the year.

The Club has submitted a Development Application to Murray River Council for an upgrade and extension to the front of our club. This will extend across the current roadway and allow our members and visitors an undercover drop off area during inclement weather. Another improvement for all our patrons.

Our "Perricoota Village" development documentation went before the NSW State Planning Panel, with the advice to withdraw the application and resubmit with street and green space alterations. We have had further meetings with Council representatives including the Mayor, and we are now looking at other options to move the Development Application forward.

During the past years we have had a few issues with the M.V. Mary Ann such as floods, low river, major maintenance and the main issue, the difficulty to staff at all times. After a lengthy discussion, our Board made the decision to advertise the MV Mary Ann for sale, and I am pleased to advise that settlement took place on 28th June 2024. I know that everyone who experienced the first class dining, along with the cruise and scenery on the Murray River could not wait to return again. We would like to wish the new owners all the very best for their future endeavours.

We have an excellent relationship with our local Moama RSL sub-Branch and we thank them for their monthly reports to our Board meetings. The ANZAC Day services were again well attended this year. Moama RSL sub-Branch President Ken, and his Committee, along with the assistance from our club, held memorable services which were attended by very large crowds comprising all ages from around the district. The inaugural ANZAC Day March in Moama, prior to the 9 am Commemorative Service was well received by all in attendance. The Dawn Service seems to get bigger each

year. The “Two Up” held in our lovely Poppies room was again well attended, and I believe was the best held yet. Next year we have decided to alter the start and finish times slightly of “Two Up” and will certainly listen to any feedback from our patrons. I would like to take this opportunity to thank Rolly Griffiths for his continued support of running Two Up.

A very special thank you to CEO, Ashley and to all our staff both at both the Club and at the MV Mary Ann, for giving their time and dedication to ensure that we are providing an excellent service to our members and visitors, this certainly has contributed to our positive financial surplus for the year. Again, a very big thank you to all Board members for giving their time and excellent input during the year.

Regards,

*Stan Barker,*

**President**

# Chief Executive Officer's Report

Dear Members,

It is once again a great pleasure to present my CEO's report.

I am very pleased to report that for the 2023/24 financial year, the Club has posted a profit of \$670,201. We saw a healthy increase in revenue across our key departments of Gaming, Food and Beverage. Unfortunately, these increases were eroded by the ever increasing costs in many areas of the business.

Through positive cashflow we were able to reduce our total borrowings by nearly \$700,000 this year. Given the recent increases in the cost of borrowing funds, this is also very positive for our financial position.

During this financial year the Club has also contributed in excess of \$4.7 million in salaries and wages to employees living in our local area, as well as over \$500,000 in contributions to superannuation funds on their behalf.

We are also very proud to have contributed in excess of \$170,000 in support of many local community organisations, sporting groups and other not for profit entities.

The end of the financial year saw the end of an era with the sale of the M.V. Mary Ann. Whilst ownership of the vessel had presented us with some challenges at times, it also provided so many memorable occasions enjoying the sights and sounds of the mighty Murray River. "Mary", as she was affectionately known, was a favourite to many of our members and I would like to thank you for supporting us. I wish the new owners, Shirley & Lou every success in their endeavours.

We have quite a number of projects in progress with Development Applications being sought for Perricoota Village, works to the main entry and a large solar system including carpark structure. The continued increase in the cost of electricity will largely be offset by this installation. I congratulate the Board of Directors on the approval of this major project.

I would like to thank our President, Stan Barker, for another year of great leadership, support and guidance to myself, our management team and indeed to the Board of Directors. Stan's contribution is highly valued and greatly appreciated.

Thanks also to our team of Directors for their contribution to the planning and direction of this great Club. There is a considerable amount of time and energy invested in ensuring the decisions made behind closed doors are always in the Club's best interests.

I would also like to thank our entire team of staff for making our Club the favourite place to visit for so many of you, our members.

In closing, I would like to express my sincere appreciation to you our members for your continuing support, friendship and camaraderie. Thank you for making Moama RSL your Club.

Kind regards,

*Ashley Menzies,*

**Chief Executive Officer**

# SPECIFICATION OF CORE AND NON-CORE PROPERTY

Pursuant to Section 41J(2) of the Registered Clubs Act for the financial year ended 30 June 2024 core property of the Club consists of the land located at Merool Road Moama NSW 2731 being the Club premises, car parking and vacant land. There is no non-core property of the Club.

## Notes to Members

1. Section 41J(2) of the Registered Clubs Act requires the annual report to specify the core property and non-core property of the Club as at the end of the financial year to which the report relates.
2. Core property is any real property owned or occupied by the Club that comprises:
  - (a) the defined premises of the Club; or
  - (b) any facility provided by the Club for use of its members and their guests; or
  - (c) any other property declared by a resolution passed by a majority of the members present at a general meeting of ordinary members of the Club to be core property of the Club.
3. Non-core property is any other property other than that referred to above as core property and any property which is declared by the members at a general meeting of ordinary members of the Club not to be core property.
4. The Club cannot dispose of any core property unless:
  - (a) the property has been valued by a registered valuer within the meaning of the Valuers Act 2003; and
  - (b) the disposal has been approved at a general meeting of the ordinary members of the Club at which the majority of the votes cast support the approval; and
  - (c) any sale is by way of public auction or open tender conducted by an independent real estate agent or auctioneer.
5. These disposal provisions and what constitutes a disposal for the purposes of Section 41J are to some extent modified by regulations made under the Registered Clubs Act and by Section 41J itself. For example, the requirements in paragraph 4 above do not apply to;
  - Core property that is being leased or licensed for a period not exceeding 10 years on terms that have been the subject of a valuation by a registered valuer;
  - Core property that is leased or licensed to a telecommunications provider for the purposes of a telecommunication tower.

## DIRECTORS' REPORT

### Principal Activities

The principal activities of the company during the financial year were the operation of a Licensed Club. No significant change in the nature of these activities occurred during the year.

The company's short and long-term objectives are to:

- Establish and maintain a licensed Club under the Registered Clubs Act for the benefit of its members and member's guests;
- Provide for members and member's guests a social club with all the usual facilities of a club;
- Promote all or any of the objects of the Returned Services League of Australia (New South Wales Branch) Incorporated; and
- Support and assist community associations or organisations that are calculated to benefit the members of the Club.

To achieve these objectives, the company has adopted the following strategies:

- To assist with the success of the company in both the short and long term and to provide all the benefits to the members and the member's guests, the company:
  - o continually develops and improves the assets of the company;
  - o strives to attract and retain quality staff committed to the company;
  - and
  - o has established and implemented best practices for all stakeholders.

### Key Performance Measures

The company measures its own performance through the use of both quantitative and qualitative benchmarks. The benchmarks are used by the directors to assess the financial sustainability of the company and whether the company's short term and long term objectives are being achieved.

### Auditors' Independence Declaration

The lead auditors' independence declaration for the year ended 30 June 2024 has been received and can be found following this Directors' Report.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

### 1 STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are for the Echuca Moama RSL & Citizens Club Limited as an individual entity, incorporated and domiciled in Australia. Echuca Moama RSL & Citizens Club Limited is a company limited by guarantee. The financial statements were authorised for issue on 30th August 2024 by the Directors' of the company.

#### **Basis of Preparation**

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Simplified Disclosures and the Corporations Act 2001. The company is a not for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

# ECHUCA MOAMA RSL & CITIZENS CLUB LIMITED

A.B.N. 40 003 684 624

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

### Accounting Policies

#### (a) Income Tax

The income tax expense (revenue) for the year comprises current income tax expenses (income) and deferred tax expenses (income).

Current income tax expense charged to profit or loss is the tax payable on taxable income. Current tax liabilities (assets) are measured at the amounts expected to be paid to (recovered from) the relevant taxation authorities. The mutuality principle has been applied to the income tax calculation of the Club. The Club has applied a non-member apportionment rate for the 2024 financial year of 16.53% (2023: 8.81%).

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2024**

Deferred income tax expense reflects movements in deferred tax asset and deferred tax liability balances during the year as well unused tax losses.

Current and deferred tax income tax expense (income) is charged or credited directly to equity instead of profit or loss when the tax relates to items that are credited or charged directly to equity.

Deferred tax assets and liabilities are ascertained based on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets also result where amounts have been fully expensed but future tax deductions are available.

No deferred income tax will be recognised from the initial recognition of an asset or liability where there is no effect on accounting or taxable profit or loss.

Deferred tax assets and liabilities are calculated at the tax rates that are expected to apply to the period when the asset is realised or liability is settled and their measurement also reflects the manner in which management expects to recover or settle the carrying amount of the related asset or liability.

Deferred tax assets relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax asset can be utilised.

**(b) Revenue**

Revenue from the sale of goods is recognised at the point in time goods are delivered to the customers. Revenue from the rendering of a service is recognised at the point in time the service is delivered to the customers. Interest revenue is recognised when accrued. Revenue from member's subscriptions, is recognised over time as the performance obligations to deliver member services are satisfied. Subscriptions received relating to performance obligations which are yet to be satisfied are shown in the statement of financial position as Income Received in Advance under the heading of Other Current Liabilities (Note 20).

All revenue is stated net of the amount of goods and services tax (GST).

**(c) Property, Plant and Equipment**

Each class of property, plant and equipment is carried at cost, less, where applicable, any accumulated depreciation and impairment losses.

The carrying amount of all property, plant and equipment is reviewed by the directors annually to ensure they are not in excess of their recoverable amount.

# ECHUCA MOAMA RSL & CITIZENS CLUB LIMITED

A.B.N. 40 003 684 624

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

The depreciable amount of all fixed assets excluding freehold land is depreciated over their useful lives commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable asset are:

Class of Fixed Asset	Depreciation Rate
Buildings	2.5%
Improvements	3.6 – 20%
Plant & Equipment	2.5 – 50%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income.

### **(d) Inventories**

Inventories are measured at the lower of cost or net realisable value. Cost is calculated on the first in first out basis.

### **(e) Leases**

The Company assesses whether a contract contains a lease at the inception of the contract. The Company recognises a right of use asset and a corresponding lease liability in respect to all lease arrangements in which it is the lessee, with the exception for short term leases (leases with a term of less than 12 months) and leases of low value assets (less than \$10,000). For these leases, the Company recognises the lease payments as an operating expense on a straight line basis over the term of the lease.

The lease liability is initially measured at the net present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease. If this rate cannot be readily determined, the company uses its incremental borrowing rate.

The right of use assets recognise the initial measurement of the corresponding lease liability, lease payments made at or before the commencement date and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment. Right-of-use assets are depreciated over the shorter period of the lease term and useful life of the underlying asset.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2024**

**(f) Employee Entitlements**

**Short-term employee provisions**

Provision is made for the company's obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that have vested due to employees having completed the required period of service. Based on past experience the company does not expect the full amount of annual leave, long service leave or vesting sick leave balances classified as current liabilities to be settled within the next 12 months. However these amounts must be classified as current liabilities since the company does not have an unconditional right to defer the settlement of these amounts in the event the employees wish to use their leave entitlements.

**Other long-term employee provisions**

Provision is made for employees' long service leave entitlements that have not yet vested in relation to those employees who have not yet completed the required period of service. Other long-term employee benefits are measured at the present value of the expected future payments to be made to employees.

**(g) Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

**(h) Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of the GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense.

Receivables and Payables in the statement of financial position are shown inclusive of GST. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

**(i) Trade and Other Receivables**

Trade receivables are recognised and carried at original invoice amount less any provision for any uncollected debts. An estimate for doubtful debts is made based on an expected credit loss model. Bad debts are written off as incurred.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2024**

**(j) Trade and Other Payables**

Liabilities for trade creditors and other amounts are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received or not billed to the company.

**(k) Borrowings**

All loans are measured at the principal amount. Interest is charged as an expense as it accrues.

**(l) Intangible Assets**

Poker machine licences, Mooring licences and Goodwill have an infinite useful life and are carried at cost of acquisition less any impairment losses. The licences have a marketable value not less than cost. They are tested for impairment in accordance with Note 1(n).

Business capital costs are recognised at cost of acquisition. Business capital costs have a finite life and are carried at cost less any accumulated amortisation and any impairment losses. Business capital costs are amortised over their useful life of five years. They are tested for impairment in accordance with Note 1(n).

**(m) Reserves**

The general reserve records funds bequeathed to the club.

**(n) Impairment of Assets**

At each reporting date, the company reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of comprehensive income.

Impairment testing is performed annually for intangible assets with infinite lives. Where it is not possible to estimate the recoverable value of an individual asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

**(o) Comparative Figures**

When required by Accounting Standards and the Company's own accounting practices comparative figures have been adjusted to conform with changes in presentation for the current financial year.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2024**

**(p) Critical Accounting Estimates and Judgements**

The directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the entity.

**(q) Financial Instruments**

**Initial recognition and measurement**

Financial instruments, incorporating financial assets and financial liabilities, are recognised when the entity becomes a party to contractual provisions of the instruments. Trade date accounting is adopted for financial assets that are delivered within timeframes established by marketplace convention.

Financial instruments are initially measured at cost on trade date, which includes transaction costs, when the related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below.

**Loans and receivables**

Loans and receivables are non derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method.

**Financial liabilities**

Non derivative financial liabilities are recognised at amortised cost, comprising original debt less principal payments and amortisation.

**Impairment**

At each reporting date, the Company assesses whether there is objective evidence that a financial instrument has been impaired. Impairment losses are recognised in the statement of comprehensive income.

**Derecognition**

Financial assets are derecognised where the contractual rights to receipt of cash flows expire or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying value of the financial liability, which is extinguished or transferred to another party, and the fair value of the consideration paid including the transfer of non-cash assets or liabilities assumed, is recognised in the statement of comprehensive income.

A.B.N. 40 003 684 624

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2024**

**(r) Adoption of new and revised Accounting Standards**

A number of Australian Accounting Standards and interpretations have been issued or amended since 1 July 2023 that are applicable to the company. The directors have assessed these amendments and determined they did not have any significant impact on these financial statements..

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2024

**2024**                      **2023**  
\$                                      \$

### 22 KEY MANAGEMENT PERSONNEL COMPENSATION

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the company, directly or indirectly, including any director (whether executive or otherwise) is considered key management personnel.

Key management personnel compensation:

Short-term benefits	414,378	440,745
Post-employment benefits	33,833	32,425
Other long-term benefits	11,818	8,815
	460,029	481,985

### 23 FINANCIAL RISK MANAGEMENT

The company's financial instruments consist mainly of deposits with banks, short term investments, accounts receivable, and payables and borrowings.

The totals of each category of financial instruments, measured in accordance with AASB 9 as detailed in the accounting policies to these financial statements, are as follows:

#### Financial assets

Cash and cash equivalents	<b>note 7</b>	4,291,880	3,113,103
Receivables	<b>note 8</b>	15,633	4,310
<b>Total financial assets</b>		4,307,513	3,117,413

#### Financial liabilities

Payables	<b>note 16 (a)</b>	667,036	635,209
Borrowings		1,664,911	2,262,647
<b>Total financial liabilities</b>		2,331,947	2,897,856

#### Net Fair Values

The following methods & assumptions are used to determine the net fair values of financial assets & liabilities:

- The carrying amount of cash & cash equivalents, financial instruments and non interest bearing monetary financial assets and non interest bearing financial liabilities are at cost because of their short term to maturity.

\* The net fair value of bank loans are determined by discounting the cashflows, at bench mark interest rates, to their present value.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2024**

**24 CONTINGENT ASSETS AND LIABILITIES**

The Company owns 139 gaming licences, of which 129 were acquired at no cost.

These gaming machine licences are a tradeable commodity within the New South Wales clubs industry. However, the value of these gaming machine licences acquired at no cost have not been recognised as an intangible asset in the statement of financial position on the basis that their value cannot be reliably measured as an active market does not exist. The remaining gaming licences which were purchased have been recognised at cost within note 12.

"Other than the above, no other contingent assets or liabilities has become enforceable or is likely to become enforceable, within the period of 12 months after the end of the financial year which in the opinion of the directors, will or may affect the ability of the company to meet its obligations when they fall due."

**25 CAPITAL MANAGEMENT**

Management controls the capital of the entity to ensure that adequate cash flows are generated to fund its 2024 programs and that returns from investments are maximised within tolerable parameters. The Finance Committee ensures that the overall risk management strategy is in line with this objective.

The Finance Committee operates under policies approved by the Board of Directors. Risk management policies are approved and reviewed by the Board on a regular basis. These include credit risk policies and future cash flow requirements.

The entity's capital consists of financial liabilities, supported by financial assets. Management effectively manages the entity's capital by assessing the entity's financial risks and responding to changes in the risks and in the market. These responses may include the consideration of debt levels. There have been no changes to the strategy adopted by management to control the capital of the entity since the previous year.

**26 EVENTS AFTER THE REPORTING PERIOD**

There are no events since the balance date to the date of this report that would have a material effect on the operations of the Moama RSL.

## Independent audit report to the members of Echuca Moama RSL & Citizens Club Ltd

### Opinion

We have audited the financial statements, being general purpose financial statements – simplified disclosure of Echuca Moama RSL & Citizens Club Ltd ('the Company'), which comprises the statement of financial position at 30 June 2024, and the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, notes comprising summary of accounting policies and other explanatory notes and the directors' declaration.

In our opinion, the accompanying financial statements of the Company are in accordance with the *Corporations Act 2001*, including:

- a) giving a true and fair view of the Company's financial position as at 30 June 2024 and of its performance for the year ended on that date; and
- b) complying with Australian Accounting Standards – Simplified Disclosures and the *Corporations Regulations 2001*.

### Basis of Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial statements in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibility of the Directors for the Financial Statements

The directors of the Company are responsible for the preparation of the financial statements that gives a true and fair view in accordance with Australian Accounting Standards – Simplified Disclosure and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial statements that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

## Independent auditor's report to the members (continued)

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The financial statements have been prepared for distribution to members for the purpose of fulfilling the director's financial reporting requirements under the *Corporations Act 2001*. We disclaim any assumption of responsibility for any reliance on this report or on the financial statements to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <http://www.augasb.gov.au/Home.aspx>. This description forms part of our auditor's report.
